

Gale Ferrell, BS

Program Support Manager

Gale holds a Bachelor of Science Degree in Business and Public Administration with a concentration in Business Education from Clinch Valley College, currently known as The University of Virginia's College at Wise, as well as an Autism Studies Certificate from Radford University. She is also endorsed to teach students with intellectual disabilities, specific learning disabilities, and emotional disturbance.

Gale was an administrative assistant with Hospital Pharmacies, Inc. for ten years before beginning a teaching career in the field of special education. She taught students with special needs for 21 years in Scott and Wise Counties, Virginia, before accepting a position as Educational Diagnostician with Wise County Schools. Additional responsibilities include acting as an instructional coach and as the Coordinator of the Virginia Alternate Assessment Program for Wise County Schools.

In 2015, Gale joined Fusion Coaching and Consulting Group, Inc. as their Program Support Manager.
