

Teresa Pool, MS

Master Certified Coach

Teresa specializes in executive performance and business communication. She holds a Master of Science degree in Management Information Systems from Purdue University and received her coach training from Coach U, an International Coach Federation certified provider of coach training.

Additionally, Teresa is on staff at the University of Texas, Naveen Jindal School of Management where she provides executive and group coaching for their EMBA program, rated number one in the state of Texas. She is also a faculty instructor, supervising coach and examiner for their Organizational Behavior and Executive Coaching program. Teresa was 2004 President of the North Texas chapter of the International Coach Federation and continues to mentor developing coaches.

Teresa spent almost two decades in the global technology industry, leading organizations, coaching high-potential leaders, developing new services, and creating emerging market strategies. Teresa has coached professionally since January 2000. Her clients have included Fortune 500 companies in multiple industries. In addition to coaching, communication training and strategic facilitation, she inspires change through her published articles, television and radio appearances, and two leadership guides: Focus in the Midst of Chaos and Communication DIScovery.

She combines her joint passions of problem solving and non-profit service to facilitate strategic board sessions and coach key leaders. In 2013, she received the University of Texas at Dallas Chairman's Award for Community Service. Fusion is honored to have Teresa partner with us to provide expertise and excellence in our coaching, training and consulting services.
